EX PARTE NOTICE

*Re: High-Cost Universal Service Support, WC Docket No. 05-337;
Federal-State Joint Board on Universal Service, CC Docket No. 96-45.*

Dear Ms. Dortch:

On April 19, 2007, Daniel Hesse, David Zesiger, and David Bartlett, on behalf of Embarq, met with Commissioner Jonathan Adelstein and Scott Bergmann of the Federal Communications Commission. The discussion was fully consistent with Embarq's prior filings in this docket and focused on how universal service support can and should be better targeted to truly high-cost areas and tied to the carrier-of-last-resort obligation. In addition, Embarq provided the attached presentation illustrating its advocacy.

Pursuant to Section 1.1206(b) of the Commission's rules, one copy of this electronic notice is being filed in the above-referenced docket. Please call me if you have any questions.

Sincerely,

Jeffrey S Lanning
Director – Federal Regulatory
